Savings Brought About By July Clearances. Sharp

ENERAL price-reductions of the most radical order have been instituted in practically every section of the store to bring stocks to low ebb before inventory. All small lots, all incomplete lines, though of a high quality and of staple value, are to be harried out at once, and prices to do the hurrying have been put upon them. The following includes some of these instances, but many of the greatest values are not advertised because the lots are too small to admit of our announcing them in the newspapers,

The following sales will continue all day Friday and up to Store Closing Time Salurday-12:30.

Men's Two-Piece Summer Suits at July Clearance Prices, \$9.75 & \$14.50
